

Northcreek Mezzanine is a Cincinnati, OH based SBIC formed primarily to originate mezzanine debt and equity investments for dynamic lower middle-market companies across a wide variety of industries.

Investment Strategy and Philosophy

Northcreek is currently investing out of Fund III, our \$180 million 2019 vintage-year fund. Our investment strategy focuses on originating and making mezzanine debt and equity investments in both sponsored and non-sponsored lower middle-market companies across the U.S. Northcreek is a proven and reliable financial partner having invested in 50+ companies since its founding in 2010. Northcreek is fully committed to partnering with financial sponsors, independent sponsors, search fund sponsors and directly with private companies to provide highly customized financial solutions.

Northcreek professionals have deep expertise in the credit markets having invested in hundreds of lower middle market companies throughout their careers providing senior, mezzanine debt and equity. Our strength lies in the experience of our investment team and our flexibility to provide highly customized financial solutions. Our competitive edge is our track record of working closely with our partners to execute and close transactions quickly and efficiently and our reputation for being quick to action, fair, thoughtful, interested, and patient throughout the underwriting and investment period.
